Re: Case # 97-506  
Nancy Cell Facility

Dear Sirs:

It was nice talking to your  
workers. It expressed my desire  
to be placed on your record as  
an "Intervener's Status"

I wish to express my opposition  
to the way Cellular Systems have  
proceeded to buy or lease some land  
near our property without consulting  
us. The ~~anchors~~ tower will be  
be about 75 ft from our property.  
We need your sincere help.

Dear Sir:

I am writing for myself and two of our neighbors who live near me on Burnetta Road in Faubush, Kentucky (near Nancy).

Apparently you folks are going to erect a tower on the property near us.

We are collectively concerned basically with two things (1) what it will look like & (2) will the purpose of the tower interfere with TV and radio reception?

I don't think any of us are overly concerned but we are a little worried about those two issues.

We thank you for your response in this matter.

Very sincerely,

David L. Snell
